2020 GEORGANNE VINEYARD RUSSIAN RIVER VALLEY PINOT NOIR

VINTAGE:

Georganne was one of only two vineyard-designate wines we were able to produce in 2020. While the story of the 2020 vintage is one that is filled with heartbreak and loss due to the wildfires in the region during harvest, we were able to pick Georganne Vineyard just before the fire hit the area. The Georganne Vineyard is planted to Clone UCD 37, known as Merry's Clone. This warm northern portion of the appellation and the gravelly, sandy soils of the vineyard are a perfect match for this planting. As this vineyard has matured, having been planted in 2006, the potential of this property is now beginning to be realized. This vintage displays complex, elegant characteristics that make it a prime candidate for a long life in the cellar. — Winemaker Heidi von der Mehden
