2020 RUSSIAN RIVER VALLEY PINOT NOIR

VINTAGE:

This Pinot Noir, which was blended from a variety of vineyards that escaped the fires unharmed, has been produced every vintage since 1997. It is crafted with an eye toward highlighting the beautiful fruit grown throughout the appellation. Once we create our vineyard-designated wines, each of which showcases a unique terroir, we pick from the remaining lots those that will make up the blend for this wine. Being able to selectively choose from this array of vineyards allows us to clearly illustrate the diversity of terroir in the Russian River Valley Appellation, and the stunning aromas and rich wines of depth that we are able to produce year after year. —
